

# Your neighbors, our medics.

Leesville native John Williams has been with Acadian for 21 years. He is currently a paramedic field supervisor and takes a lot of pride in his role. He loves the people of Vernon Parish and has strong relationships with the hospital and nursing home. Two years ago, John coordinated a very special trip to the zoo and Wal-Mart for a bedbound patient he routinely transported, along with her family.

We're hiring current medics and  
recruiting EMS students. Learn more at
